How could you possibly block Uber from providing safe and courteous rides for folks who need a ride? I wonder how many people have chosen to get behind the wheel when they shouldn't have just because they couldn't get a taxi to show up?

You should be ashamed of yourselves.

We need über in Charleston! Their service is much faster than waiting hours on a taxi and very affordable and safe! Why take something so positive away from our great city??

I use UBER all over the country.
I consider any community that challenges this great service to be still in the dark ages.
Get with technology folks!

SC WANTS UBER BACK!!!!

Please stop playing...my daughter at the College of Charleston no longer had to walk dark dangerous roads in Charleston due to Uber...it is safe, it is clean, it is quick and college kids can afford it.

I am going to ask my daughter to email this to every friend at her college and the University of SC and my son at Coastal Carolina and ask them to email you also.

What you have done hurts many!!!!

Please reinstate, thank you
